RECITALS

WHEREAS, Licensor is the owner of certain audiovisual content described herein and holds all necessary rights to license said content for distribution; and

WHEREAS, Licensee desires to acquire certain limited rights to distribute and broadcast the Licensed Content within the Licensed Territory during the License Term; and

WHEREAS, the parties desire to set forth the terms and conditions of such license;

NOW, THEREFORE, in consideration of the mutual covenants and the License Fee set forth herein, the parties agree as follows:

1. DEFINITIONS

"Licensed Content" means the television series entitled "HARBOR LIGHTS" (the "Series"), consisting of two (2) seasons, comprising twenty-four (24) episodes total (12 episodes per season), each episode approximately forty-two (42) minutes in duration, as more particularly described in Exhibit A attached hereto.

"License Term" means the period commencing on March 1, 2024, and expiring on February 28, 2027 (the "Initial Term"), unless earlier terminated pursuant to the terms hereof. Licensee shall have one (1) option to renew for an additional twelve (12) months upon written notice delivered no later than sixty (60) days prior to expiration of the Initial Term.

"Licensed Territory" means the United States of America, its territories and possessions, including Puerto Rico and the U.S. Virgin Islands ("Primary Territory"), and Canada ("Secondary Territory"). For the avoidance of doubt, this Agreement expressly excludes Mexico, the United Kingdom, Australia, and all other territories not specifically enumerated herein.

"Licensed Platform" means linear broadcast television, cable television, and subscription video-on-demand (SVOD) services, subject to the platform restrictions set forth in Section 4 below.

"Holdback Period" means the period of six (6) months following initial broadcast of each episode during which Licensee shall not make such episode available on any SVOD platform.

2. GRANT OF RIGHTS

Subject to the terms and conditions of this Agreement, Licensor hereby grants to Licensee, and Licensee hereby accepts, a non-exclusive (except as specifically noted in Section 2.2 below), non-transferable, non-sublicensable license to:

- Broadcast the Licensed Content on Licensee's linear broadcast channels within the Primary Territory;
- Distribute the Licensed Content via cable television carriage within the Licensed Territory;
- Make the Licensed Content available on Licensee's authenticated SVOD platform (the 'NovaCast Stream' service) within the Licensed Territory, subject to the Holdback Period;
- Create and distribute promotional clips not to exceed two (2) minutes in duration per episode for marketing purposes within the Licensed Territory;
- Subtitle or dub the Licensed Content into French for distribution within the Secondary Territory only.

2.2 Exclusivity. Licensor agrees that during the License Term, it shall not license broadcast rights (linear television only) to any other party within the Primary Territory. For clarity, this exclusivity provision applies solely to linear broadcast rights and does not restrict Licensor from licensing SVOD, theatrical, or any other rights to third parties within the Primary Territory.

3. LICENSE FEE AND PAYMENT SCHEDULE

3.1 License Fee. In full consideration for the rights granted herein, Licensee shall pay Licensor a total License Fee of Seven Hundred Fifty Thousand Dollars (USD \$750,000) (the 'License Fee'), allocated as follows:

Delivery of Season 2 Masters	\$225,000	September 30, 2024

3.2 Late Payment. Any payment not received within thirty (30) days of its due date shall accrue interest at the rate of one and one-half percent (1.5%) per month, or the maximum rate permitted by applicable law, whichever is less, from the due date until paid in full.

4. PLATFORM AND BROADCAST RESTRICTIONS

4.1 Broadcast Windows. Licensee shall adhere to the following broadcast windows for each episode of the Licensed Content:

- First Linear Broadcast Window: Each episode may be broadcast on linear television no more than three (3) times within any thirty (30) day period.
- SVOD Window: Subject to the Holdback Period, each episode may be made available on NovaCast Stream for the duration of the License Term without limitation on number of streams.

4.2 Simultaneous Streaming Cap. Licensor acknowledges that Licensee shall not be obligated to implement technical simultaneous stream limitations; provided, however, that if Licensee's SVOD distribution of the Licensed Content in any calendar quarter exceeds 5,000,000 unique household streams, Licensor shall be entitled to an additional participation fee of \$0.08 per unique household stream above such threshold.

5. CONTENT DELIVERY AND TECHNICAL SPECIFICATIONS

Licensor shall deliver the Licensed Content in the following formats: (a) UHD 4K HDR10 master files in ProRes 4444 codec at minimum, (b) HD 1080p SDR broadcast-ready files in H.264 or H.265 codec, (c) closed caption files in SRT and SCC formats compliant with FCC Part 79 regulations, (d) all associated audio tracks including 5.1 surround and stereo mixes, (e) all available M&E (music and effects) tracks for dubbing purposes. Delivery shall be made via Licensor's designated secure file transfer portal within the timeframes specified in Section 3.1.

6. REPRESENTATIONS AND WARRANTIES

Licensor represents and warrants that: (a) it has the full right, power, and authority to enter into this Agreement and grant the rights herein; (b) the Licensed Content does not infringe any copyright, trademark, right of publicity, or other proprietary right of any third party; (c) all talent agreements, guild obligations, music licenses, and underlying rights necessary to grant the rights herein have been cleared and are in full force and effect; (d) there are no outstanding claims, litigation, or other proceedings that would materially impair Licensee's exercise of the rights granted herein; (e) the Licensed Content complies with all applicable FCC content regulations and broadcast standards.

7. TERMINATION

Either party may terminate this Agreement upon sixty (60) days' written notice in the event of a material breach by the other party that remains uncured for thirty (30) days following written notice of such breach. Upon termination or expiration, Licensee shall immediately cease all distribution of the Licensed Content, delete or destroy all copies in its possession, and provide written certification of such deletion within ten (10) business days.

8. GOVERNING LAW

This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to its conflicts of law principles. Any disputes arising hereunder shall be submitted to binding arbitration in New York, New York, in accordance with the rules of JAMS.
