The following rights are expressly reserved by Rights Holder: (a) print publishing rights, including rights to publish new editions of the novel; (b) audio book rights; (c) rights to the author's other works not incorporated in the Underlying Work; (d) live theatrical rights (subject to Section 2.2 above); (e) rights in any materials created by Rights Holder independently of the adaptation.

4. CREATIVE PARTICIPATION

4.1 Writer Consultation. Rights Holder (or a designee with Rights Holder's written consent) shall be offered the opportunity to consult with the lead writer/showrunner during the development phase, including at least two (2) in-person or video meetings during the writers' room process. 5.2 Limited Run Restriction. The parties acknowledge and agree that the rights granted hereunder are specifically and exclusively for a limited series format of six (6) episodes as a single, complete narrative. Studio shall not produce additional episodes beyond the initial six (6) without separately negotiating and obtaining additional rights from Rights Holder. For clarity, promotional content, making-of features, and recap content shall not count toward the episode limit.

5.3 Budget Floor. Studio warrants that the total approved production budget for the Limited Series shall not be less than Fifteen Million Dollars (USD \$15,000,000) for all six (6) episodes combined. Studio shall provide Rights Holder with a summary production budget upon greenlight.
